NEW! Interpretive Walk • 2 km

Discover the story of Whistler Olympic Park on this scenic, self-guided walk through our world-class Olympic venue. Follow the path from the Day Lodge through the Olympic cross-country and biathlon stadiums while discovering the Park's Olympic legacy, wildlife, and natural history.

Made it to the biathlon stadium? Take a break at the picnic tables, challenge your family to a game of pickleball, or test your aim with our Summer Discover Biathlon activity.

Olympic Stadium Bike Loop • 6 km

Explore Whistler Olympic Park from a different perspective on this scenic 6 km paved loop. Ride through the cross-country and biathlon stadiums while enjoying mountain views and interpretive signs highlighting the Park's Olympic legacy, wildlife, and natural history.

Complete the full loop for a fun, scenic ride on paved trails.

**Caution**

Roller ski athletes may be training, especially in the mornings. Watch for **"Athletes Training"** signs, give athletes plenty of space, and remember, roller skis do not have brakes.

Ski Jump Scramble • 3 km loop

436 Stairs. One unforgettable view.

Ever wondered what it feels like to stand where Olympic ski jumpers began their descent? Challenge yourself to the Ski Jump Scramble and climb the stairs up the landing hill before following the forest trail to the Start House.

Take a well-earned break, enjoy spectacular views of the Callaghan Valley from the viewing platform, before returning via the designated forest trail. (Stairs are for climbing up only.)

Help Keep Wildlife Safe & Wild

Please help protect our bears and other wildlife.

- Never approach or feed wildlife.
- Stay at least 100 m from bears.
- Keep dogs on a leash and children close by.
- Pack out your garbage or use bear-proof bins.

See a bear? Back away slowly, give it space, and never block its escape route.

Jason Coleman

Top of the World • 4 km return

Hike or bike to one of Whistler Olympic Park's most impressive viewpoints. Bring a picnic and relax while taking in spectacular views of Black Tusk, Brandywine Mountain, and surrounding snow-capped peaks.

Choose the forested Lookout Explorer trail or the wider Inside Passage gravel road. Both routes lead to picnic tables, a small shelter, and one of the Park's favourite places to pause and soak in the scenery. Keep an eye out for local wildlife along the way.

Madeley Creek Loop & Lower Madeley Falls • 5 km loop + 2 km return

Cruise through the forest on one of Whistler Olympic Park's most popular cross-country ski trails. In summer, this wide trail is perfect for hiking or biking, going by wetlands and crossing over beautiful Madeley Creek.

Looking for an extra adventure? Continue up Norwegian Woods for an additional 2 km (return) to scenic Lower Madeley Falls. This uphill section is well worth the effort.

Madeley Lake • 17 km return

Looking for a longer adventure? Madeley Lake is one of the hidden gems of Whistler Olympic Park. From Madeley Creek Loop, take Norwegian Woods, where the trail becomes more challenging with longer climbs and descents.

Pass Madeley Falls and Lunch Lake before continuing to Madeley Road, where you can access beautiful Madeley Lake.

 **Before you go:** Please check our website or stop by Guest Services at the Day Lodge for detailed route information, the latest trail conditions, and **access updates**.

Our magnificent Day Lodge offers everything you need while visiting Whistler Olympic Park. Featuring a licensed Café & Patio, Info desk, boutique, souvenirs, and washrooms. With breathtaking mountain views, it's the perfect spot to relax and take a break.

Summer Activities

Summer Discover Biathlon

Feel like an Olympian! Learn the basics of biathlon before shooting a real **.22 calibre rifle** at the Olympic biathlon range. Pre-booking recommended.

Book now: whistlerolympicpark.com

Disc Golf & Pickleball

Challenge your friends and family on our scenic **9-hole disc golf course**, winding through the forest and Olympic venue. Then head to the biathlon stadium for a game of pickleball.

Bring your own discs or paddles, or rent them at the Day Lodge.
